Physical attractiveness is the degree to which a person's physical features are considered aesthetically pleasing or beautiful. The term often implies sexual attractiveness or desirability, but can also be distinct from either. There are many factors which influence one person's attraction to another, with physical aspects being one of them.

I. I decided to read Red Plenty because my biggest gripe after reading Singer's book on Marx was that Marx refused to plan how communism would actually work, instead preferring to leave the entire matter for the World-Spirit to sort out. But almost everything that interests me about Communism falls under the category of "how communism would actually work".
