Chemistry: The Central Science, 13th Edition | Ebooks

So basically I'm taking AP chemistry online and they have provided an access code of the book mentioned above through Pearson etext. The format for accessing the book is absolutely awful, but I can live with that.

Any have a Chemistry - The Central Science 13th Edition

Chemistry is an experimental science. The knowledge that has been accumulated through previous experiments provides the basis for todayâ€™s chemistry courses. The information now being gathered will form the basis of future courses. There are basically two types of experiments that chemists conduct:
