Executive book summaries so you can read less but do more

An executive summary, or management summary, is a short document or section of a document, produced for business purposes, that summarizes a longer report or proposal or a group of related reports in such a way that readers can rapidly become acquainted with a large body of material without having to read it all. It usually contains a brief statement of the problem or proposal covered in the ...

Executive summary - Wikipedia

Creating executive summaries is never easy. Encapsulating the gist of hundreds of pages of a report into a single page is a tough task, and you could end up wasting several hours, if not days, to complete this task.
