1 Defining human rights education and a human rights-based approach to education Based on international human rights instruments, human rights education (HRE) can be defined as education, training and information aimed at building

Human Rights Education in Primary and Secondary School

Human rights are moral principles or norms that describe certain standards of human behaviour and are regularly protected as natural and legal rights in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of ...
