Chapter One Introduction This thesis is an account of an action research project carried out by a teacher-researcher during the period 2001-2005. In the introduction, I would like to present an overview of the thesis and the way it is structured.

### **Chapter One Introduction - Action Research**

INTRODUCTION Action research is one of those terms that we hear quite often in today's educational circles. But just what does it mean? If you ask three people to define action research, you may find yourself with three different responses. Typically, action research is undertaken in a school setting.

### **ACTION**

Action research is defined as any systematic inquiry conducted by teachers, administrators, counselors, or others with a vested interest in the teaching and learning process or environment for the purpose of gathering information about how their particular schools
