

jeppesen instrument commercial manual pdf

Jeppesen (also known as Jeppesen Sanderson) is an American company offering navigational information, operations planning tools, flight planning products and software. Jeppesen's aeronautical navigation charts are often called "Jepp charts" or simply "Jepps" by pilots, due to the charts' de facto popularity. This popularity extends to electronic charts, which are increasingly favored over paper ...

Context: Continuous delivery is a software development discipline in which software is always kept releasable. The literature contains instructions on how to adopt continuous delivery, but the adoption has been challenging in practice. Objective: In this study, a systematic literature review is conducted to survey the faced problems when adopting continuous delivery.

Problems, causes and solutions when adopting continuous
