

### **northern soul top 500 pdf**

Northern soul is a music and dance movement that emerged in Northern England in the late 1960s from the British mod scene, based on a particular style of black American soul music, especially from the mid-1960s, with a heavy beat and fast tempo (100 bpm and above).. The northern soul movement generally eschews Motown or Motown-influenced music that has had significant mainstream commercial ...

Northern England, also known simply as the North, is the northern part of England, considered as a single cultural area. It extends from the Scottish border in the north to near the River Trent in the south, although precise definitions of its southern extent vary. Northern England approximately comprises three statistical regions: the North East, North West and Yorkshire and the Humber.
