In psychology, the term identity crisis means the failure to achieve ego identity during adolescence. The term was coined by German psychologist Erik Erikson.. The stage of psychosocial development in which identity crisis may occur is called the Identity Cohesion vs. Role Confusion. During this stage, adolescents are faced with physical growth, sexual maturity, and integrating ideas of ...

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
