

the colliery engineer volume pdf

The Senghenydd colliery disaster, also known as the Senghenydd explosion (Welsh: Tanchwa Senghennydd), occurred at the Universal Colliery in Senghenydd, near Caerphilly, Glamorgan, Wales, on 14 October 1913. The explosion, which killed 439 miners and a rescuer, is still the worst mining accident in the United Kingdom. Universal Colliery, located on the South Wales Coalfield, produced steam coal ...

Senghenydd colliery disaster - Wikipedia

Whitwick / ˈwɪt ɪk / is a large village in Leicestershire, England, close to the town of Coalville in the northwest of the county. It lies in an ancient parish which formerly included the equally historic villages of Thringstone and Swannington. It was an important manor in the Middle Ages, which once included Bardon and Markfield, parts of Hugglescote, Donington le Heath, Ratby ...
