### **Identifying Your Educational Philosophy: Development of**

Lifelong learning is the "ongoing, voluntary, and self-motivated" pursuit of knowledge for either personal or professional reasons. Therefore, it not only enhances social inclusion, active citizenship, and personal development, but also self-sustainability, as well as competitiveness and employability. Evolved from the term "life-long learners", created by Leslie Watkins and used by Professor ...

Philosophical value is distinguished from economic value, since it is independent on some other desired condition or commodity. The economic value of an object may rise when the exchangeable desired condition or commodity, e.g. money, become high in supply, and vice versa when supply of money becomes low.
