In 2013, Fiji adopted a new Constitution, marking the end to a two year controversial constitution making process which the government perceived as part of the long term solution to Fiji's protracted political crises and instability. Prime Minister Bainimarama described the country's recent history as "a vicious pattern [of] elections followed by ineffective governance, followed by ...

In the United States, the term constitutional carry, also called permitless carry, refers to the legal carrying of a handgun, either openly or concealed, without a license or permit. The phrase does not typically refer to the unrestricted carrying of a long gun, a knife, or other weapons. The scope and applicability of constitutional carry may vary by state.

### **Constitutional carry - Wikipedia**

A constitutional monarchy is a form of monarchy in which the sovereign exercises authority in accordance with a written or unwritten constitution. Constitutional monarchy differs from absolute monarchy (in which a monarch holds absolute power) in that constitutional monarchs are bound to exercise their powers and authorities within the limits prescribed within an established legal framework.

A constitutional republic is a form of government, where the head of state and other representatives are elected from a group of people. It also means that there is a constitution. The constitution says how the state may be run. The constitution limits the power of each officeholder. Constitutional republics usually have a separation of powers. This acts so that no single officeholder can get ...
