Twin films are films with the same, or very similar, plot produced or released at the same time by two different film studios. The phenomenon can result from two or more production companies investing in similar scripts around the same time, resulting in a race to distribute the films to audiences. Some attribute twin films to industrial espionage, the movement of staff between studios, or ...

Robert Frost was born in San Francisco, but his family moved to Lawrence, Massachusetts, in 1884 following his father's death. The move was actually a return, for Frost's ancestors were originally New Englanders, and Frost became famous for his poetry's engagement with New England locales, identities, and themes.

There are several reasons why it is impossible for us to see the New Moon in the sky. The alignment of the Sun, the Moon, and Earth, leaves the side of the Moon that faces Earth in complete darkness. Technically, this is called a conjunction or Syzygy in the Sun-Earth-Moon system (see illustration ...

Editor's Note. Hi, I'm Marc, the worker bee buzzing around behind the scenes at Frugality.com. While I may do much of the heavy lifting around here and I'm pretty frugal myself, my especially independent and frugal German mother Beate (see images below) is the source of most of my money-saving inspirations and ideas you'll find throughout this website.
