

the fraternity of the pdf

The only true distinction between a fraternity and any other form of social organizations is the implication that the members are freely associated as equals for a mutually beneficial purpose rather than because of a religious, governmental, commercial, or familial bond - although there are fraternities dedicated to each of these fields of association.

Fraternity - Wikipedia

Fraternities and sororities, or Greek letter organizations (GLOs) (collectively referred to as "Greek life") are social organizations at colleges and universities. A form of the social fraternity, they are prominent in the United States, with small numbers of mostly non-residential fraternities existing in France, Canada, and the Philippines. Similar organizations exist in other countries as ...
