Ethics involves systematizing, defending, and recommending concepts of right and wrong behavior. A central aspect of ethics is "the good life", the life worth living or life that is simply satisfying, which is held by many philosophers to be more important than traditional moral conduct.. Most religions have an ethical component, often derived from purported supernatural revelation or guidance.

Ethics in religion - Wikipedia

Religion may be defined as a cultural system of designated behaviors and practices, worldviews, texts, sanctified places, prophecies, ethics, or organizations, that relates humanity to supernatural, transcendental, or spiritual elements. However, there is no scholarly consensus over what precisely constitutes a religion. Different religions may or may not contain various elements ranging from ...

At first, the claim that atheism is a religion might sound ridiculous. It certainly can be a surprising claim. And itâ€™s one that many people, including western atheists, might initially dismiss out of hand. But thereâ€™s more to the story here. There is a case to be made that, in a very real sense ...
