History – Hunter Living Histories

In the First Folio, the plays of William Shakespeare were grouped into three categories: comedies, histories, and tragedies. The histories – along with those of contemporary Renaissance playwrights – help define the genre of history plays. The Shakespearean histories are biographies of English kings of the previous four centuries and include the outliers King John, Edward III and Henry VIII as ...

Oral history is the collection and study of historical information about individuals, families, important events, or everyday life using audiotapes, videotapes, or transcriptions of planned interviews. These interviews are conducted with people who participated in or observed past events and whose memories and perceptions of these are to be preserved as an aural record for future generations.
