Prominent indices. The indices and their origins. Canada. The Economic Freedom of the World Index is a report published by Canada-based Fraser Institute in conjunction with the Economic Freedom Network, a group of independent research and educational institutes in 90 nations and territories worldwide. It is a numeric index, and its results are not currently included in the table below.

List of freedom indices - Wikipedia

Human rights are moral principles or norms that describe certain standards of human behaviour and are regularly protected as natural and legal rights in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of ...
