Definition. An empire is a multi-ethnic or multinational state with political and/or military dominion of populations who are culturally and ethnically distinct from the imperial (ruling) ethnic group and its culture. This is in contrast to a federation, which is an extensive state voluntarily composed of autonomous states and peoples. An empire is a large polity which rules over territories ...

The imperial examination system in its classical manifestation is historically attested to have been established in 605, during the Sui dynasty, when the emperor could call for tests to be administered. In the following Tang dynasty, tests were used on a small scale until the examination system was extensively expanded during the reign of Wu Zetian: the impact of Wu's use of the testing system ...

Shinto Overshadowed by Buddhism. The introduction of Buddhism to Japan immediately sparked the interest of Japan's ruling elite, and within a century Buddhism became the state creed, quickly supplanting ShintÅ• as the favorite of the Japanese imperial court (Mahayana Buddhism was the form favored by the court). Buddhism brought new theories on government, a means to establish strong centralized ...
