the key to happiness pdf

Happiness is used in the context of mental or emotional states, including positive or pleasant emotions ranging from contentment to intense joy. It is also used in the context of life satisfaction, subjective well-being, eudaimonia, flourishing and well-being.. Since the 1960s, happiness research has been conducted in a wide variety of scientific disciplines, including gerontology, social ...

Happiness - Wikipedia

Happiness is not about being immortal nor having food or rights in one's hand. It's about having each tiny wish come true, or having something to eat when you are hungry or having someone's love when you need love.
